G11 - Choices versus dietary imperative: Food circulation pathways in the Neolithic.....	11
G13 - The Spread of Farming and Herding in Different Parts of the Globe	11
G15 - Bioarchaeological Perspectives on the Neolithic Transition.....	12
G18 - The Impact of Neolithic Architecture – the Emergence of Human Built Environment	13
G19 - Reading the Stones, Tracing the Changes: Lithic Technology during the Paleolithic - Neolithic Transition.....	14
G20 - Animals in symbolic and ritual items across the Neolithic world.....	15
G21 - Icons in Transition. The Role of Signs and Symbols During the Great Transformation	16
G23 - The Neolithic in Art. Iconography and Society in the First World Agricultural Communities of Eurasia.....	17
G24 - Treating Dead Bodies in the Neolithic: Exploring the Increasing Social Complexity	18
G25 - Gifts from the earth – interpreting polished stone tool biographies and their symbolic, social and economic impact in the Neolithic.....	21

G26 - On people, tools, and plant foodways: defining new proxies for the Neolithization(s)	22
G27 - Neolithic clay tokens and other counting objects	23
G28 - Geological and Tectonic Influences on Neolithic Societies: Interdisciplinary Insights into Landscape Evolution and Human Adaptation.....	23

R - Regional Neolithic

R01 - Pathways of Pastoralism: The Dispersal of Herding Practices in Neolithic Southwest Asia	24
R02 - Before the Neolithic: Epipalaeolithic and Mesolithic Communities in Anatolia and Surrounding Region.....	24
R03 - Unravelling the Knot: Network Approaches to the Study of the Neolithic Transition in Southwest Asia and Beyond.....	25
R04 - Socio-economic and Symbolic Changes During the PPN-PN Transition in the Near-East (7th millennium cal. BC): Paces, Causes and Processes.....	25
R05 - Death, Ritual and The Social Transformations In The Near Eastern Neolithic.....	27
R06 - New Paradigms in the Study of the Neolithic of Central Anatolia 20 Years After the First Synthesis.....	28
R07 - Epipalaeolithic and Early Neolithic Hunter-Gatherers in the Eastern Taurus Foothills	28
R08 - The Evidence of Violence in the Neolithic Buildings of Southeastern Turkey and its Possible Relations with Other Regions.....	29
R10 - From Zagros to Alborz and Beyond: Formative and Adoptive Neolithic Lifeways on The Iranian Plateau.....	30
R11 - The Neolithic of Southern Levant in its Wider Context	31
R13 - From the “Civilization of minds” to obsidian mirrors: the study of the World Neolithic according to Petr Charvát and Güner Coşkunsu.....	33
R14 - Regional and Inter-Regional Palimpsests of Neolithization Processes: South-Eastern Europe.....	33
R15 - The Neolithic of the Aegean and Beyond: Supra-Regional Networks and Local Communities.....	34
R16 - Anatolia and the Balkans During the Neolithization Process: Connections, Similarities and Differences.....	36
R17 - Early Monumentality and Social Differentiation: Transformation in Europe	37
R20 - Submerged Neolithic Sites Around the Mediterranean and Europe.....	38
R22 - The Caucasian Neolithic.....	38
R25 - The Dawn of the Neolithic in Northern Eurasia: Development of Foraging Complexity	39

R27 - The Emergence of Food-Producing Economies in Central Asia: The Intersection of Cultural and Biological Data.....	40
R28 - Non-Sedentary Neolithic Cultures.....	40
R29 - Breaking the Neolithic in Asia: Questioning Tropes, Recentring Boundaries and Nuancing Lifeways	41
R31 - Neolithic Migrations and Adaptations: From East Asia to the Indo- Pacific	41
R33 - Göbekli Tepe: State-of-the-art.....	42
P - Recent Finds, Recent Recoveries	42

G01 - Understanding 'Long Neolithics' in Global Comparative Perspective

Session Organisers: Aleksandr Popov, Junzo Uchiyama

08 November 2024 Friday – Room: A

10:00 - 10:15	Peter Jordan	The Neolithization of Northeast Asia: Explaining Innovation, Collapse and Transformation
10:15 - 10:30	Aleksandr Popov	Features of the Neolithization process in the coastal territory of the Russian Far East in the Early and Middle Holocene (12000 - 5000 years BP).
10:30 - 10:45	Vyacheslav Grishchenko	The main stages and trajectories of the neolithization in the island world of northeast Asia
10:45 - 11:00	Masahiro Fukuda	Neolithic development with river fishery resources: A case from the Eastern Amur region and surrounding areas
11:00 - 11:15	Irina Ponkratova	A Man in the Art of the Stone Age of Kamchatka (Far East, Russian Federation)

Lunch Break

13:00 - 13:15	Henny Piezonka	Untying the bundle: Neolithic cultural traits seen from a (global) hunter-gatherer perspective
13:15 - 13:30	Junzo Uchiyama, Mitsuhiro Kuwahata, Peter Jordan	Neolithisation and natural disasters: Jomon settlement pattern shifts in Kyushu, Japan (ca. 11,500-7,000 cal BP)
13:30 - 13:45	Viktor Diakonov	Understanding "Long Neolithic" in the Far Northeast of Asia
13:45 - 14:00	Elena Sergusheva	Small-scale Millet Agriculture as Possible Marker of the Life Support Sustainability in the Late Neolithic of the southern Russian Far East
14:00 - 14:15	Mikael Fauvelle	No Farming Needed? Resource Intensification, Social Complexity, and Long-Term Resilience in Maritime Hunter-Gatherer Societies

Coffee Break

14:45 - 15:00	Mathilde Van Den Berg	Hormonal intervention as a mediator in human-reindeer relations beyond the wild
15:00 - 15:15	Margarita Kholkina, Roman Muravev, Yulianna Radaeva	Between North and South: Borders and Contacts Between Early Neolithic Cultures in The Gulf of Finland Region
15:15 - 15:30	Dmitriy Gerasimov, Margarita Kholkina, Alexander Zhulnikov, Marianna Kulkova, Aleksey Tarasov, Dmitriy Blyshko, Roman Muravev, Tatyana Vasilyeva, Tatyana Gusentsova, Alexander Kulkov, Nadezhda Nedomolkina	Phenomenon of the Neolithic Asbestos Ware in the Eastern Europe Forest Zone
15:30 - 15:45	Neumann-Denzau Gertrud	Neolithic saltmaking - a booster for transformations.
15:45 - 16:00	Guilherme Zdonek Mongeló, Fernando Ozorio Almeida, Jennifer Watling, Myrtle Shock, Thiago Kater	Should the historical process in the Amazonian SW during the medium Holocene be called Neolithization?

Coffee Break

16:30 - 16:45	Daniel Garcia-Rivero, Ruth Taylor	Subsistence patterns and cultural shifts in the Neolithic sequence of Dehesilla Cave (Southern Spain)
16:45 - 17:00	Leonor Rocha	Neolithic territories of Central Alentejo (Portugal): settlement strategies
17:00 - 17:15	Tim Kerig	Labour and social Inequality in the Neolithic of the Northern Alpine Foreland
17:15 - 17:30	Levent Yılmaz	The Use and Abuse of Neolithic
17:30 - 17:45	Jacob Freeman	Understanding the emergence of alternative social-ecological regimes of food production

G02 - Early Productive Behaviour, or the Regional and Global Problems with the Terms Neolithic/ Neolithisation

Session Organiser: Hans Georg K. Gebel

04 November 2024 Monday – Room: A

13:00 - 13:20	Hans Georg K. Gebel	Introduction to the Session: Early Productive Behaviour, or the Regional and Global Problems with the Terms Neolithic/ Neolithisation
13:20 - 13:40	Julian Thomas	The Neolithic as an Assemblage
13:40 - 14:00	Felipe Criado-Boado, Luís Martínez, Jadranka Verdonkschot	Cognitive and neurological bases of the domestication of Mind
14:00 - 14:20	Bill Finlayson	Searching for a beginning

Coffee Break

14:45 - 15:05	Maxime Brami	Childe's 'neolithic revolution' and its relevance to the archaeology of Southwest Asia
15:05 - 15:25	Gary Rollefson	Neolithic Food Production Hunting Technology in Arid Landscapes Across the World
15:25 - 15:45	Alison Betts	Neolithic Foundations and Neolithic Dispersals Across Asia: Some Comparative Considerations
15:45 - 16:05	Andrey Tabarev, Alexander Popov	"Neolithic Eve": Personal view on the local and global perspective

Coffee Break

16:30 - 16:50	Tanja Schreiber	Neolithic Hunter-Gatherers? Rethinking "Neolithic trajectories" through a Siberian case study
16:50 - 17:10	Chao Zhao	When Neolithic began in North China: A Debate on Divergent Interpretations of Early Neolithic
17:10 - 17:30	Cédric Bodet	Production and Reproduction: the mingled infrastructures of the Neolithic Social (R)evolution
17:30 - 17:50	Frédérique Brunet	Long-Term Neolithisation Processes in Central Asia: The Key Role of Mobility, Territories and Interactions

05 November 2024 Tuesday – Room: A

10:00 - 10:20	Alexander Wasse, Joanne Clarke	Choice in the Face of Change. How 'Neolithic' Were Cyprus and The Greater Syrian Desert in the 7th And 6th Millennia BC?
10:20 - 10:40	Hamil Samira	The Neolithic in north-west Algeria
10:40 - 11:00	Arkadiusz Marciniak	The Central Anatolia Neolithic – a globalization perspective
11:00 - 11:20	Xiaoran Wang	Reassessing Regional Economy During the Neolithization: Nevalı Cori and Yumin from the Fertile Arcs of Western and Eastern Asia

Lunch Break

13:00 - 13:20	Mingjian Guo	The Neolithisation in Northwestern Hebei Area, China
13:20 - 13:40	Yoshihiro Nishiaki	Is the Jomon culture "Neolithic"?
13:40 - 14:00	Jian-Ye Han	New Discoveries at Nanzuo Site and the Dawn of Early State in the Loess Plateau, China
14:00 - 14:20	Claudia Speciale, Domenico Lo Vetro, Carmine Collina, Vincenza Forgia, Maria Rosa Iovino, Domenica Gulli, Giuseppe Bazan, Enrico Giannitrapani	New insights on the cultural, social, and economic domestication of Sicily

Coffee Break

14:45 - 16:15	All Participants (Peer-Moderated)	Final Session Discussion: Lessons for Future Regional and Global Neolithic Research
---------------	-----------------------------------	---

G03 - Foraging to Food Production and The Consequences: A Global Review

Session Organisers: Peter Bellwood, Hsiao-chun Hung

05 November 2024 Tuesday – Room: A

16:30 - 16:50	Peter Bellwood, Hsiao-Chun Hung	Introduction to Session G03: Foraging to food production, and the consequences: a global review and perspective.
16:50 - 17:10	Henny Piezonka, Natal'ya Chairkina, Ekaterina Dubovtseva, Lyubov' Kosinskaya, Tanja Schreiber	The world's oldest forts? Amnya and the acceleration of hunter-gatherer diversity in Siberia 8000 years ago.
17:10 - 17:30	Joaquim Fort	Interbreeding and demic diffusion in the spread of the Neolithic in Europe.
17:30 - 17:50	Jean-Denis Vigne, François Briois, Jean Guilaine	The Southwest Asian Neolithic transition scrutinized from the island of Cyprus.

07 November 2024 Thursday – Room: A

10:00 - 10:20	Hans Georg K. Gebel	Marginal? The roles of grasslands in the establishment of Middle Eastern Neolithic lifeways.
10:20 - 10:40	Koen Bostoen, Peter Coutros, Jessamy Doman	The Bantu expansion and low-level food production in central Africa.
10:40 - 11:00	Donatella Usai	Thinking globally: the Neolithization of the Nile Valley.
11:00 - 11:20	Steven Brandt And Roger Blench	Late Pleistocene Ethiopian hunter-gatherer origin of Afroasiatic peoples and the role of food production in their Holocene dispersals.

Lunch Break

13:00 - 13:20	Amaia Arranz-Otaegui	The origins of agriculture in southwest Asia: a regional overview
13:20 - 13:40	Zhenhua Deng	The formation and early development of farming society in the Yangtze Valley, southern China.
13:40 - 14:00	Qin Ling	The neolithization process in northern China: emergence of pottery, sedentary societies and millet agriculture.
14:00 - 14:20	Dongdong Tu	Rethinking the emergence of early village life in North China: perspectives from the recent archaeological discoveries.

Coffee Break

14:45 - 15:05	Ben Shaw, Glenn Summerhayes	A Neolithic of the New Guinea region and its relevance to global discussions of the human past.
15:05 - 15:25	Dolores R. Piperno	The origins and spread of agriculture in Mesoamerica, Central, and South America: where are we now?
15:25 - 15:45	Douglas Kennett, Jeffrey Ross-Ibarra	Maize domestication and dispersal in the Americas.
15:45 - 16:05	Keith M. Prufer, Dolores R. Piperno, Nadia C. Neff, Mark Robinson, Richard J. George, Douglas Kennett	New advances in understanding the early adoption of plant-based diets in the northern neotropics.

Coffee Break

16:30 - 16:50	Richard G. Lesure, Reuven J. Sinensky	On the two-step Agricultural Demographic Transition in Mesoamerica.
16:50 - 17:10	Jose Iriarte	Forest islands, anthrosols, and drained fields: foraging to food-production trajectories in Amazonia.
17:10 - 17:30	Mike Heckenberger	Domestication of earth and sky in later Holocene Amazonia.

G04 - Population Dynamics in Pre-state Farming Societies

Session Organisers: Peter Turchin, Daniel Kondor

08 November 2024 Friday – Room: C

10:00 - 10:20	Peter Turchin	A Paradigm Shift in Understanding Human Population Dynamics
10:20 - 10:40	Jacob Freeman, Judson Finley, Erick Robinson, Adolfo Gil	A multi-scalar study of population growth dynamics in small-scale societies
10:40 - 11:00	Joe Roe, Martin Hinz	Estimating the Prevalence of Post-Agricultural Population Declines through the Global Radiocarbon Record
11:00 - 11:20	Johannes Müller	Population densities and social levelling mechanisms: from small to mega-sites

Lunch Break

13:00 - 13:20	Hinz Martin, Roe Joe	ESTER: Estimation of the prehistoric population of Eurasia based on a large number of records
13:20 - 13:40	Daniel Kondor, Peter Turchin	Approaching population proxies from a modeling perspective
13:40 - 14:00	Ian Kuijt, Arkadiusz Marciniak	Reconsidering arguments for Near Eastern Neolithic high population density, population growth, and early urbanism
14:00 - 14:20	Michael J. O'brien, Simon Carrignon, Bisserka Gaydarska, John Chapman, Brian Buchanan	Modeling Cultural Responses to Disease Spread in Neolithic Trypillia Mega-settlements

Coffee Break

14:45 - 15:05	Giacomo Bilotti	Population dynamic in the southwestern Baltic during the Neolithic and Bronze Age
15:05 - 15:25	Hilpert Johanna, Fischer Anna-Leena, Scharl Silvine, Kern Oliver A., Wegener Christian	Moving on? Early Neolithic Population and Settlement Potential in Central Europe (LBK; 5400 – 4950 BCE)
15:25 - 15:45	Detlef Gronenborn, Daniel Kondor, Peter Turchin	A multiscale approach to understanding boom-bust dynamics in European Neolithic societies
15:45 - 16:05	Kaarel Sikk, Aivar Kriiska, Valter Lang, Mari Tõrv	Exploring the population gap of the transition period from the Stone Age to the Bronze Age in Estonia with radiocarbon data

Coffee Break

16:30 - 16:50	Frantisek Trampota, Vaclav Hrnecir, Petr Kvetina	Reconstruction of population dynamics in early farming societies using Bayesian modelling of C14 settlement data. Case study from Morava River basin, Central Europe
16:50 - 17:10	René Ohlrau	Prehistoric Progress: Innovations, Population Growth, and Human Well-Being among Cucuteni-Trypillia Societies
17:10 - 17:30	Timothy Kohler, Darcy Bird	Population, subsistence, and wealth dynamics in three precocious, non-state North American societies: Exploring and Enhancing Malthus-Boserup models
17:30 - 17:50	Robert Drennan, Adam Berrey, Christian Peterson	Demography in Non-state Farming Societies Is More than Just Population Size

G06 - Climate Change as a Pacemaker of Neolithic Cultural Change: Global Perspectives

Session Organisers: Neil Roberts, Catherine Kuzucuoğlu

04 November 2024 Monday – Room: D

13:00 - 13:20	Liviu Giosan	Noah's Flood in the Black Sea and the Spread of Neolithic into Europe: Quo Vadis?
13:20 - 13:40	Marta Andriiovych	Around the Black Sea: the spread of Neolithic settlements before and after the cooling event 8.2 KY BP

13:40 - 14:00	Caroline Heitz, Joe Roe	3000 years of climate change impact on early 'pile-dwelling' farming communities around the Alps: New tree-ring-based archaeological and paleoclimatic proxies.
14:00 - 14:20	Lech Czerniak et al.	Changes in LBK settlements correlate with fluctuations in climatic conditions. A palynological view on the Neolithisation of Central Europe

Coffee Break

14:45 - 15:05	Arman Tekin	Paleoclimatic Changes on The Southern Kahramanmaraş Region During The Neolithic Period: The Macrophysical Climate Model Approach
15:05 - 15:25	Neil Roberts	Climate as a driver of Neolithic human-environment dynamics on the Konya plain, south central Anatolia
15:25 - 15:45	Peter F Biehl, Arkadiusz Marciniak	Archaeological and palaeo-environmental evidence for the 8.2k cal BP climate event at Çatalhöyük
15:45 - 16:05	Aysin Konak, Tolunay Bayram	Environmental and Climatic Factors Affecting Settlement Location Selection in the Lake District (Turkey)

Coffee Break

16:30 - 16:50	Andrew M.T. Moore et al.	New evidence from Epipalaeolithic-Neolithic Abu Hureyra, Syria, for the development of agriculture in Western Asia
16:50 - 17:10	Caroline Malone	A Neolithic that fails: The Maltese Temple Culture and climatic instability

G07 - Neolithic Processes in the Tropics

Session Organisers: Stephen Rostain, Geoffroy de Saulieu

08 November 2024 Friday – Room: K

10:00 - 10:15	Doyle Mckey	Domestication, landscape management, food production systems, and societies in lowland South America: Insights from a major crop, manioc
10:15 - 10:30	Stéphen Rostain	Far From Being Marginal: The Cultural Cradle of Amazonia
10:30 - 10:45	Claudia Rodrigues-Carvalho, Célia Boyadjian, Davi Duarte, Murilo Quintans Ribeiro Bastos	Parallels and divergences: the complex occupation of the coast of Rio de Janeiro (Brazil) as an example of the specificities and particularities of tropical regions.
10:45 - 11:00	Celia Boyadjian, Rita Scheel-Ybert, Tais Capucho	Diet And Food Production of The Brazilian Shellmound Builders
11:00 - 11:15	Umberto Lombardo	The Pre-Columbian Green Revolution of the Bolivian Amazon

Lunch Break

13:00 - 13:15	João Darcy De Moura Saldanha	The Rise of Monumentality in Eastern Amazonia and its link with the Neolithization Processes in South America
13:15 - 13:30	Geoffroy De Saulieu	Social Implications of domestication in the Tropics
13:30 - 13:45	Champion Louis, Dorian Q. Fuller	Tropical cereal agriculture: domestication and dispersal rates compared in Africa
13:45 - 14:00	Hermine Xhaufleur, Timothy Vitales, Xavier Galet, David Codeluppi, Maricar Belarmino, Gerard Palaya	Unveiling linked stories between humans and the environment in Palawan Island, Philippines.
14:00 - 14:15	Dylan Gaffney, Annette Oertle, Alvaro Montenegro, Erlin Djami, Abdul Razak Macap, Tristan Russell, Daud Tanudirjo	Animal taming, translocation, and the punctuated Neolithisation of island rainforests

G08 - Biomolecular and Stable Isotope Windows on Lifestyles, Environments and Evolution in the Neolithic

Session Organisers: *Melanie Roffet-Salque, Richard Evershed*

05 November 2024 Tuesday – Room: C

10:00 - 10:20	Cheryl Makarewicz	A Critical Assessment of Stable Isotopes as A Proxy for Neolithic Mobility: Lessons from The Tessellated Neolithic (Geo)environments of the Southern Levant
10:20 - 10:40	Adrià Breu Barcons, Hadi Özbal, Rana Özbal, Pınar Özükkurt, Cafer Çakal, Ayla Türkekul Bıyık, Sıdar Gündüzalp	Tracing Anatolian Neolithic Foodways Through Isotopic and Biomolecular Proxies in Organic Residues From 7th And 6th Millennium Pottery Vessels.
10:40 - 11:00	Sıdar Gündüzalp, Ayla Türkekul Bıyık, Adrià Breu Barcons, Rana Özbal	Unveiling Neolithic Cooking Practises: Organic residue analyses of the Initial Neolithic pottery from the 7th Millennium BCE, Sumaki Höyük in the Upper Tigris Basin
11:00 - 11:20	Rana Özbal, Adrià Breu Barcons, Hadi Özbal, Laurens Thissen, Ayla Türkekul Bıyık, Fokke Gerritsen	The Emergence and Evolution of Dairying in Neolithic Northwest Anatolia: Insights from Barcın Höyük

Lunch Break

13:00 - 13:20	Chloé Stevens	A Multi-Proxy Geoarchaeological Investigation of an Early Holocene Soil Feature at the Page-Ladson Site (Florida, U.S.)
13:20 - 13:40	Isabel Wiltshire, Charlie Maule, Iman Abdelgani, Timothy D. J. Knowles, Richard Evershed, Harald Stäuble, Caroline Hamon, Michael Ilett, Mélanie Roffet-Salque, Matthias Conrad, Matthias Halle, Isabel Hohle, Saskia Kretschmer, Gerold Schmalfuß, Sabine Wolfram, Lamys Hachem	Biomolecular approaches to investigating wild resource exploitation in Neolithic Europe
13:40 - 14:00	Peter Tóth, Miriam Nývltová Fišáková, Johana Malíšková, Filip Ševčík	Stable isotopes reveal animal management practices at the LBK settlement of Těšetice-Kyjovice, Czech Republic
14:00 - 14:20	Rosalind Gillis	Into the woods: Exploring the use of wood-pastures in early European animal husbandry practices.

Coffee Break

14:45 - 15:25	Mark Thomas	Plenary Talk: Integrating different data sources: A multi-proxy approach to understanding the evolution of lactase persistence in Europe
15:25 - 16:15		Discussion

G09 - Putting Domesticates in their Place

Session Organiser: *Melinda Zeder*

04 November 2024 Monday – Room: B

13:00 - 13:20	Melinda Zeder	Putting Domesticates in their Place: Opening Remarks
13:20 - 13:40	Robert Spengler	Insularity Syndrome: Exploring the roles of ecological release and habitat islands in driving early domestication
13:40 - 14:00	Nicholas Conard, Saman Haman-Zarhani, Mario Mata-González, Christopher Miller, Simone Riehl, Brett Starkovich, Moshen Zeidi	Settlement dynamics and the technological context of early harvesting and hunting in the Zagros and Anti-Lebanon
14:00 - 14:20	Simone Riehl, Doğa Karakaya, Moshen Zeidi, Nicholas John Conard	Plant resource diversity and wild cereal harvesting in the eastern Fertile Crescent 80.000 years ago

Coffee Break

14:45 - 15:05	Mario Mata-González, Iván Rey-Rodríguez, Britt Marie Starkovich, Simone Riehl, Mohsen Zeidi, Nicholas John Conard	Chogha Golan And the Evolution of Human-Animal Interactions in the Foothills of the Zagros Mountains During the Aceramic Neolithic
15:05 - 15:25	Hojjat Darabi	Eco-cultural Settings of Initial Domestication in the Central Zagros
15:25 - 15:45	Canan Çakırlar	Plenty and more: Fish and other aquatic resources in settings of Neolithic emergence in Southwest Asia
15:45 - 16:05	Jean-Denis Vigne, Cucchi Thomas	Domestication of insular ungulates during the Cyprus-PPNB

Coffee Break

16:30 - 16:50	Elisabeth Hildebrand	Highlands vs. Rift: Diverging pathways to food production in adjacent regions of eastern Africa
16:50 - 17:10	Diane Gifford-Gonzalez, Shayla Monroe	Africa's unique domestication processes: early sedentism, indigenous plants, introduced livestock, significant contributions from African aurochs
17:10 - 17:30	Xuexiang Chen, Zejuan Sun, Jianfeng Lang	Plant Evidence of early crop cultivation from the Xiaogao site (9000-7500B.P.), Shandong province, eastern China
17:30 - 17:50	Hua Wang, Yao Gao, Jianfeng Lang, Chen Wang, Thijs Van Kolfschoten	Intensive exploitation of pheasants at the Early Holocene site of Xiaogao in Northern China

05 November 2024 Tuesday – Room: B

10:00 - 10:20	Xinyi Liu	Conceptual bridges between biological domestication and early food globalization
10:20 - 10:40	Sarah Mcclure	The social ecology of the spread of farming in the Adriatic: new insights from the Mesolithic to Neolithic transition
10:40 - 11:00	Peter Rowley-Conwy	Voyagers in search of land and resources: the early agricultural colonisation of Britain and the West Mediterranean
11:00 - 11:20	Anne-Brigitte Gebauer, T. Douglas Price	The northern Frontier of European farming, Evidence from Southern Scandinavia

Lunch Break

13:00 - 13:20	Andrew Somerville, Isabel Casar	The Environmental Context for the Adoption of Agriculture in the Tehuacan Valley of Mexico
13:20 - 13:40	Francisco Javier Aceituno	Other "Neolithics" were possible: the case of Northwestern South America (Colombia) in the context of the New World.
13:40 - 14:00	Natalie G. Mueller	Considering plants as people in the process of domestication: A view from eastern North America

G10 - The Palaeolithic Antecedents of the Neolithic Revolution: Insights from Hunter-Gatherer Archaeobotany

Session Organisers: Ceren Kabukcu, Eleni Asouti

07 November 2024 Thursday – Room: B

10:00 - 10:15	Ceren Kabukcu, Eleni Asouti	Plant use and subsistence practices during the Epipalaeolithic and Pre-Pottery Neolithic in the eastern Fertile Crescent
10:15 - 10:30	Marc Cardenas, Amaia Arranz-Otaegui	Plant food choices and culinary practices in the transition to food production in southwest Asia
10:30 - 10:45	Ernestina Badal, Yolanda Carrión-Marco, Carmen Maria Martínez-Varea, Guillem Pérez-Jordá	Before farming. Management and use of plants by hunter-gatherers of the western mediterranean
10:45 - 11:00	Tony Brown, Sam Hudson, David Jacques, Ben Pears	"Stonehenge Before Stonehenge" Mesolithic-Neolithic sedaDNA-based Environmental Reconstruction from the Avon Valley and Its Bearing on Hunter-Gatherer-Pastoralists Interactions
11:00 - 11:15	Oksana Yanshina, Elena Sergusheva	Evidence for Millet Consumption in the Lower Amur River Basin during the Early Holocene

G11 - Choices versus dietary imperative: Food circulation pathways in the Neolithic

Session Organisers: Kamilla Pawłowska, Joanna Pyzel

07 November 2024 Thursday – Room: B

13:00 - 13:20	Merryn Dineley	The Importance of Being Malted: Processing Cereals to Make Malt Sugars in the Natufian and the Neolithic
13:20 - 13:40	Kamilla Pawłowska, Joanna Pyzel, Marek Z. Barański, Mélanie Roffet-Salque	Detecting of commensality in Neolithic Çatalhöyük household: Faunal, architectural and pottery approaches
13:40 - 14:00	David Bloch	“Challenging the Conventional View of the advent and Origins of Agriculture” with the harvesting of common Salt and a Sodium Age that shaped the primitive Industry of Early Neolithic Hunters:
14:00 - 14:20	Agnieszka Czekaj-Zastawny, Anna Rauba-Bukowska, Harry Robson	Early Neolithic diet north of the Carpathians: result of interdisciplinary analysis.

Coffee Break

14:45 - 15:05	Magdalena Moskal Del Hoyo, Magda Kapcia, Gabriela Juźwińska, Maria Lityńska-Zajac, Marek Nowak, Anna Głód, Paweł Jarosz, Anita Szczepanek, Maciej Dębiec	Plant remains from the Early Neolithic sites of southern Poland: the same diet or dietary variability?
15:05 - 15:25	Marek Nowak, Gabriela Juźwińska, Magda Kapcia, Maria Lityńska-Zajac, Magdalena Moskal Del Hoyo, Sylwia Pospuła-Wędzicha, Krzysztof Wertz, Jarosław Wilczyński	The Significance of Variability in Subsistence Patterns in East-Central Europe Between the Late 6th And Late 4th Millennia BC. The Case of Multicultural Site in Miechów, Southern Poland

G13 - The Spread of Farming and Herding in Different Parts of the Globe

Session Organiser: Joaquim Fort

07 November 2024 Thursday – Room: C

10:00 - 10:15	João Zilhão	The emergence of farming communities in westernmost Eurasia: New evidence from central Portugal

Eduardo Amorim, Ilaria Arienzo, Vincenza Forgia, Bettina Schulz-Paulsson	The funerary complex of Ustica (Sicily, Italy): evidence of early Megalithism in the central Mediterranean
13:15 - 13:30	Rula Shafiq, Ted Banning	Mortuary Treatment in Late Neolithic Jordan
13:30 - 13:45	Ergül Kodaş	Human remains at Boncuklu Tarla: Peleodemography and Burial customs.
13:45 - 14:00	Osamu Kondo	Recent findings on the mortuary practices of sedentary hunter-gatherers, {Jomon} in Japan
14:00 - 14:15	Maciej Dębiec	Bandkeramik ritual-burial complex from Nezvisko, Ukraine

G25 - Gifts from the earth – interpreting polished stone tool biographies and their symbolic, social and economic impact in the Neolithic

Session Organisers: Lasse Sørensen, Michael Brandl, Laura Dietrich, Danny Rosenberg,

07 November 2024 Thursday – Room: G

10:00 - 10:20	Lasse Vilien Sørensen, Michael Brandl, Laura Dietrich, Danny Rosenberg	Studying polished stone tools – research history, current status and future perspectives
10:20 - 10:40	Özlem Çevik, Mine Uçmazoğlu	Common and Rarer Polished Stone Tools from Neolithic Ulucak
10:40 - 11:00	Thomas Strasser	Neolithic Stone Axes from Crete and their Implications for the Wider Aegean
11:00 - 11:20	Laura Dietrich, Barbara Horejs, Michael Brandl	Greenstone chisel-like adzes for carpentry were components of the Neolithic Package in Anatolia and the Balkans

Lunch Break

13:00 - 13:20	Lasse Vilien Sørensen	Tougher than the rest – quarrying jadeitite raw materials for polished stone tools in the Eastern Mediterranean region
13:20 - 13:40	Mariana Diniz, Ana Rosa, Andrea Martins, César Neves	{To Be or Not to Be an Agricultural Community...} Debating the Question from Portuguese Neolithic Polished Stone Tools Assemblages
13:40 - 14:00	Simone Meinecke, Roberto Risch, Laura Culi Verdaguer, Francisco Jose Martinez Fernandez	Neolithic axe production in Central Germany – technological aspects and lithic raw materials
14:00 - 14:20	Wulf Hein, Mihaela Savu, Kai Martens, Müller Michael, Marquardt Lund	Grinding flint axe heads – an experimental approach

Coffee Break

14:45 - 15:05	Michael Müller	To Grind or Not to Grind – Axe Heads from Depositions of Neolithic Groups in Central and Northern Europe
15:05 - 15:25	Anne Teather	Flint, chalk and pigment: Tracing the symbolism of axeheads in northern Europe
15:25 - 15:45	Lars Larsson	Ritual depositions in a local perspective
15:45 - 16:05	Sebastian Schultrich	'Battle axes', fragments, and cup marks

Coffee Break

16:30 - 16:50	Amber Roy	The Lifeways of Scandinavian Middle Neolithic B Battle-Axes
16:50 - 17:10	Mads Lou Bendtsen, Lasse Vilien Sørensen, Niels N. Johannsen	Newcomers: Tracing Corded Ware Expansion through Provenance of Battleaxes
17:10 - 17:30	Peter Bye-Jensen	Tracing Neolithic Craftsmanship: A Use-Wear Analysis of Polished Flint Tools from Stone Heap Graves in Mid-Jutland
17:30 - 17:50	Okopi Ade	A Functional Study of Ground Stone Axes (Gsa) Assemblages from Akwanga, Central Nigeria.

08 November 2024 Friday – Room: G

10:00 - 10:20	Michael Brandl, Lasse Vilien Sørensen, Michael Gostencnik, Iris Schmidt	NEOProvenance: The Potential of Non-Destructive Protocols for Provenance Analyses of Polished Stone Tools
10:20 - 11:30		Final Discussion

G26 - On people, tools, and plant foodways: defining new proxies for the Neolithization(s)

Session Organisers: Laura Dietrich, Laure Dubreuil, Emanuela Cristiani, Caroline Hamon, Avi Gopher, Andrea Zupancich

04 November 2024 Monday – Room: G

13:00 - 13:20	Anna Stroulia, Jérôme Robitaille, Laure Dubreuil	Cereal Grinding Rates: From Experimental Results to Ethnographic Facts
13:20 - 13:40	Atsumi Ishida, Akiko Horiuchi, Nobuo Miyauchi, Hitoshi Ozawa, Yoshiki Miyata	Uncovering Alternative Functions of Neolithic Grinding and Pounding Stones: An Analysis of Organic Residues Using Experimental Tools
13:40 - 14:00	Ceren Kabukcu, Maria João Fernandes Martins	A systematic review on experimental archaeology and ethnoarchaeological case studies of plant food processing and cooking
14:00 - 14:20	Patrick Pedersen	Preparing a surface: The “seasoning” of food processing ground stone and its implications for use-wear analysis

Coffee Break

14:45 - 15:05	Jiajing Wang	Microbotanical dental calculus analysis provides a new proxy for understanding animal domestication during the Neolithization
15:05 - 15:25	Robitaille Jerome, Dubreuil Laure, Stroulia Anna	Transforming Grains, Shaping Societies: Insights into Ground stone Tool Use and Food Processing Techniques.
15:25 - 15:45	David Eitam	Late Natufian, the first pre-domestic agricultures [13,000 – 1,5000 Cal BP
15:45 - 16:05	Fiona Pichon, Amy Richardson, Juan José Ibáñez, Maria Vega Cañamares, Carlos Pecharrmán, Kamal Reuf Aziz, Roger Matthews, Saber Ahmed Saber, Sari Jammo, Akira Tsuneki	Evidence of Plant Exploitation during the Neolithic in the Zagros Foothills: A Functional Perspective of Stone Tools and People at Bestansur and Jarmo (Iraqi Kurdistan

Coffee Break

16:30 - 16:50	Laure Dubreuil, Leore Grosman	Exploring the practices and social context of plants processing at Nahal Ein Gev II (Late Natufian, Southern Levant
16:50 - 17:10	Laura Dietrich, Christoph Von Tycowicz, Julius Mayer	Wear marker, wear trajectories and wear states in the analysis of Neolithic grinding stones (case study Göbekli Tepe)
17:10 - 17:30	Sergio Taranto, Adrià Breu Barcons, Marta Portillo, Anna BachGómez, Miquel Molist, Marie Le Miere, Cristina Lemorini	Enjoying 'focaccia' in late-Neolithic Near East. A culinary tradition explored through integrated use-wear, phytolith, and organic residue analysis
17:30 - 17:50	Jaroslav Řídký, Carlos G. Santiago-Marrero, Ali Metin Büyükkarakaya, Kristina Doležalová, Daniel Pilař, Yasin Gökhan Çakan, Erhan Bıçakçı	Macrolithic artefacts and plant micro-residues in dental calculus as an important sources of information on dietary habits at the Neolithic Tepecik-Çiftlik site (~7,100 – 5,800 cal BCE) in Central Anatolia

05 November 2024 Tuesday – Room: G

10:00 - 10:20	Agustina Vazquez Fiorani, Julian Salazar, Valeria Franco Salvi, Ian Kuijt, Meredith Chesson, Jordi Lopez-Lillo	A world up in the mountains: Neolithization and early villager lifestyles in the Southern Andes (Argentina, ca. 200 BCE-AD 900)
10:20 - 10:40	Sutonuka Bhattacharya, Kumar Akhilesh, Prachi Joshi, Naama Goren-Inbar, Gideon Shelach-Lavi, Shanti Pappu	From Quarry to Quern: An Ethnoarchaeological Study of Grinding Stone Chaîne Opératoires in India
10:40 - 11:00	Weiyu Li	New insights into the Neolithic denticulate sickles from Central China
11:00 - 11:20	Julia Reis, Laure Dubreuil, Lisa Janz	Investigating Plant Use Through Ground Stone Tools in The Gobi Desert, Mongolia

Lunch Break

13:00 - 13:20	Wiebke Kirleis, Jingping An, Dragana Filipović, Sara Krubeck, Lucy Kubiak-Martens, Tania Oudemans, Henrike Effenberger, Stefanie Klooff	Multiproxy analyses of human-plant interaction in the southwestern Baltic around 3100 BCE: following the {chaîne opératoire} from the fields to the meals
13:20 - 13:40	Caroline Hamon	Variability of grinding systems in neolithization contexts of the 7th millennium BC
13:40 - 14:00	Carlos G. Santiago-Marrero, Marianna Lymperaki, Efrossini Vika, Dushka Urem-Kotsou, Stavros Kotsos, Juan José García-Granero	Insight into Neolithic cuisine: a holistic approach for investigating charred food crust and absorbed residues from cooking vessels from Neolithic Stavroupoli (northern Greece)
14:00 - 14:20	Ana Đuričić	If Ovens Could Talk: Bread Consumption in the Neolithic of the Central Balkans

Coffee Break

14:45 - 15:05	Alexander Minnich	How did bread come to Central Europe? Investigations into the role of the Neolithic settlement of Brunn am Gebirge near Vienna in the spread of the eating habits of Europe's first farmers using grinding stones
15:05 - 15:25		Discussion: on people, tools and plants
15:25 - 15:45		Conclusion: on people, tools and plants

G27 - Neolithic clay tokens and other counting objects

Session Organisers: Karol Szymczak, Michał Leloch

05 November 2024 Tuesday – Room: H

14:45 - 15:05	Karol Szymczak	Neolithic Clay Tokens and The Eastern Boundary of Their Occurrence in Central Asia
15:05 - 15:25	Michał Leloch, Karol Szymczak	Possible Neolithic Counting Objects Other Than Fired Clay Tokens
15:25 - 15:45	Sophie Juncker, Andreea Țerna	Tracing the Transformations: The Role of Clay Tokens in Neolithic and Copper Age Societies of the Carpathian-Dniester Region
15:45 - 16:05	Bahar Kıvrak, Aslı Erim Özdoğan	Clay Sealings from Neolithic Sumaki Höyük

G28 - Geological and Tectonic Influences on Neolithic Societies: Interdisciplinary Insights into Landscape Evolution and Human Adaptation

Session Organiser: Çetin Şenkul

05 November 2024 Tuesday – Room: D

10:00 - 10:20	Şule Gürboğa, Çetin Şenkul, Yasemin Ünlü	Geological Evolution of Southeastern Türkiye: in the concept of plate configuration and its recent effect on the human life
10:20 - 10:40	Mahmut Göktuğ Drahor, Ökmen Sümer, Necmi Karul	Geology and earthquake phenomenon about the Epipaleolithic and Early Neolithic Hunter-Gatherer settlements located in the Eastern Taurus Foothills
10:40 - 11:00	Ökmen Sümer, Mahmut Göktuğ Drahor, Necmi Karul	Gnammas; are phenomenal geological structures for Epipaleolithic and Early Neolithic civilization?
11:00 - 11:20	Selman Er, Emre Güldoğan	Geological, Geomorphological, and Geoarchaeological Investigations at the Sefer Tepe Excavation Site in Şanlıurfa

Lunch Break

13:00 - 13:20	Bülent Arıkan	The Early Holocene (ca. 12,000-8000 BP) Paleoclimate of Anatolia: Assessing the Long-term Climate-Human Interactions
13:20 - 13:40	Maria Rosa Iovino, Giuseppe Moschella, Salvatore Chilardi, Beatrice Basile	The impact of environmental changes on semi-submerged neolithic sites in eastern Sicily
13:40 - 14:00	Güven Eken, Burçin Yaraşlı, Şafak Arslan, Enes Taşoğlu, Ahmet Karataş	The Ecosystems and Biological Diversity of Taş Tepeler
14:00 - 14:20	Mustafa Doğan, Ahmet Köse, Yunus Bozkurt, Seda Kaya Köse, Çetin Şenkul, Necmi Karul	Geographical Characteristics and Transformations of Neolithic Settlements: A Spatial Analysis of Anatolia and the Taş Tepeler Complex

R01 - Pathways of Pastoralism: The Dispersal of Herding Practices in Neolithic Southwest Asia

Session Organisers: Özlem Sarıtaş, Derya Silibolatlaz

05 November 2024 Tuesday – Room: B

14:45 - 15:05	Louise Martin, Joy Mccorrison	Cattle Cults, Social Symphysis and Pastoral Systems in the Southern Arabian Neolithic
15:05 - 15:25	Özlem Sarıtaş, Louise Martin	Evolution of Herding Practices: The Dispersal of Sheep and Goats from the Epipaleolithic to the Neolithic in Anatolia.
15:25 - 15:45	Derya Silibolatlaz	Exploring Pig Domestication During Pre-Pottery Period B (PPNB) at Gre Filla in the Upper Tigris Region, Southeastern Turkey
15:45 - 16:05	Gülçin İlgezdi Bertram, Banu Öksüz, Semra Balcı	Human-Animal Relations at Sırçalıtepe

Coffee Break

16:30 - 16:50	Can Yümni Gündem	Unveiling Neolithic Dispersal: Early Cattle Herding in the Highlands of Central Anatolia, Tepecik Çiftlik
16:50 - 17:10	Saiji Arai, Farhad Guliyev, Azad Zeynalov, Yoshihiro Nishiaki	Does the emergence of domestic animals coincide with pastoralization?: The rapid introduction and delayed development of livestock economy in the Southern Caucasus

R02 - Before the Neolithic: Epipalaeolithic and Mesolithic Communities in Anatolia and Surrounding Region

Session Organisers: Çiler Altınbilek Algül, Çiğdem Atakuman, Douglas Baird, Semra Balcı

08 November 2024 Friday – Room: I

10:00 - 10:20	Çetin Şenkul	Climatic and Environmental Dynamics in Anatolia: From the Last Glacial Maximum to the Early Holocene
10:20 - 10:40	Metin Kartal, Gizem Kartal	A New Epi-palaeolithic Site in Western Taurus: Kızılin
10:40 - 11:00	Göknur Karahan, Kadriye Özçelik	Epipaleolithic Layers of Karain B (Mediterranean Region, Turkey)
11:00 - 11:20		Discussion

Lunch Break

13:00 - 13:20	Çiler Altınbilek Algül, Orkun Kaycı, Semra Balcı, Avi Gopher, Damase Mouralis, Hale Tümer, Derya Silibolatlaz	Epipalaeolithic Hunter-Gatherers of the Central Taurus: Eşek Deresi Cave (East Mediterranean/Türkiye)
